| 5.3               | Business Health KPI's   |  |
| REPORT<br>SUMMARY | The report provided an update on performance to the end of Quarter 4 against Business Health Key Performance Indicators (KPIs). Seven indicators were assessed as being 'monitored' or 'require improvement'.  Monitoring  • % of absence that are Long-Term (i.e., greater than 4 weeks);  • Attendance Levels;  • Mental Health & Stress absence (% of total houses lost); and  • Properties currently meeting SHQS.  Require Improvement  • Stage 1 which were responded to in full within timescales;  • Average re-let time (days), excluding 100 days of low demand properties; and  • Current Tenant Arrears as a percentage of gross rent.  The report was considered by the Audit Performance and Risk Committee on 23 May 2024. |  |
| DISCUSSION        | The Head of Assurance and Business Planning advised a review was underway on the complaints process to identify areas that were impacting performance.  Following a query regarding long-term voids, the Director of Customer Experience advised the Board there were challenges in re-letting studio apartments, and the Strategic Asset Management Strategy would be used to address these challenges. It was agreed performance excluding difficult to let properties be included in future reports to show the impact these had on overall performance.   |  |
| DECISION          | The Board <b>noted</b> the Quarter 4 business health performance for the 2023/24 reporting year.  |  |
